

Notebook Organization

Your notebook will be an important part of your success in class. You will be responsible for all your papers each six weeks. You will be given a grade according to your organization. This is a major test grade. If you are organized and keep up with everything, you will do well on your notebook grade in each class. It will also help you in keeping up with homework assignments and preparing for tests.

Notebooks are divided by subjects:

1. Rules - Assignment sheet/schedule/rules
2. Homework
3. Reading
4. Grammar
5. Spelling
6. History
7. Math
8. Science

Your binder should have the most current assignments in front and the oldest in the back. Example: Today's assignment, yesterday's assignment, the day before, and so on.

You need to have your binder with you at **ALL** times. Your binder should have everything you will need for class.

Let's have a *GREAT* year!! Stay organized!
