Ladies and Gentlemen:

We are providing this letter in connection with your audits of the financial statements of Bremond Independent School District (the "District") as of August 31, 2024 and for the fiscal year then ended, for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the District, and the respective changes in financial position in conformity with accounting principles generally accepted in the United States of America.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$38,400 for governmental activities, \$16,100 for general fund, \$4,500 for aggregate remaining funds, and \$3,500 for debt service fund, collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.
